I. Introduction

About This Plan

This Certificate of Coverage is issued by 4 Ever Life Insurance Company (“the Insurer”) through a policy issued to the Global Citizen Association.

In this Plan, the “Insurer” means 4 Ever Life Insurance Company. The “Eligible Participant” is the person who meets the eligibility criteria of this Certificate. The term “Insured Person,” means the Eligible Participant and any Insured Dependents.

The benefits of this Plan are provided only for those services that the Insurer determines are Medically Necessary and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, by itself, mean that the service is Medically Necessary or that the service is a Covered Expense. The Eligible Participant may consult this Certificate of Coverage or telephone the Insurer at the number shown on his/her identification card if he/she has any questions about whether services are covered.

This Certificate of Coverage contains many important terms (such as “Medically Necessary” and “Covered Expense”) that are defined in Part III and capitalized throughout the Certificate of Coverage. Before reading through this Certificate of Coverage, consult Part III for the meanings of these words as they pertain to this Certificate of Coverage.

The Insurer has issued a Policy to the Group identified on the Eligible Participant’s identification card. The benefits and services listed in this Certificate of Coverage will be provided for Insured Persons for a covered Illness, Injury, or condition, subject to all of the terms and conditions of the Group’s Policy.

Choice of Hospital and Physician: Nothing contained in this Plan restricts or interferes with the Eligible Participant’s right to select the Hospital or Physician of the Eligible Participant’s choice. Also, nothing in this Plan restricts the Eligible Participant’s right to receive, at his/her expense, any treatment not covered in this Plan.

Use of Administrator: The Insurer may use a third party administrator to perform certain of the Insurer’s duties on the Insurer’s behalf. The Group and the Insured Participant will be notified of the use of an administrator.

Benefit Overview Matrix

Following is a very brief description of the benefit schedule of the Plan. This should be used only as a quick reference tool. The entire Certificate of Coverage sets forth, in detail, the rights and obligations of both the Insured Person and the Insurer. It is, therefore, important that **THE ENTIRE CERTIFICATE OF COVERAGE BE READ CAREFULLY!**

The benefits outlined in the following table show the payment percentages for Covered Expenses AFTER the Insured Person has satisfied any Deductibles and prior to satisfaction of his/her Out-of-Pocket Limit. **Covered Expenses are based on Reasonable Charges which may be less than actual billed charges. After the Deductible is satisfied, benefits are paid for Covered Expenses as follows:

II. Who is eligible for coverage?

Eligible Participants and their Eligible Dependents are the only people qualified to be covered by the Group's Policy. The following section describes who qualifies as an Eligible Participant or Eligible Dependent, as well as information on when and who to enroll and when coverage begins and ends.

Who is Eligible to Enroll Under This Plan? An Eligible Participant:

1. Is a member of a Group covered under the Policy.
2. Has submitted an enrollment form, if applicable, and the premium to the Insurer.
3. Is a bona fide member in good-standing of a membership Group.

Eligible Dependents

An Eligible Dependent means a person who is the Eligible Participant's:

1. spouse; civil union partner, or domestic partner;
2. natural child, stepchild or legally adopted child who has not yet reached age 26;
3. own or spouse's, civil union partner's or domestic partner's own child, of any age, enrolled prior to age 26, who is incapable of self support due to continuing mental retardation or physical disability and who is chiefly dependent on the Eligible Participant. The Insurer requires written proof from a Physician of such disability and dependency within 31 days of the child's 26th birthday and annually thereafter;
4. For a person who becomes an Eligible Dependent (as described below) after the date the Eligible Participant's coverage begins, coverage for the Eligible Dependent will become effective in accordance with the following provisions:
 - a. **Newborn Children:** Coverage will be automatic for the first 31 days following the birth of an Insured Participant's Newborn Child. To continue coverage beyond 31 days, the Newborn child must be enrolled within 31 days of birth.
 - b. **Adopted Children:** An Insured Participant's adopted child is automatically covered for Illness or Injury for 31 days from either date of placement of the child in the home, or the date of the final decree of adoption, whichever is earlier. To continue coverage beyond 31 days, as Insured Participant must enroll the adopted child within 31 days either from the date of placement or the final decree of adoption.
 - c. **Court Ordered Coverage for a Dependent:** If a court has ordered an Insured Participant to provide coverage for an Eligible Dependent who is spouse, civil union partner, domestic partner or minor child, coverage will be automatic for the first 31 days following the date which the court order is issued. To continue coverage beyond 31 days, and Insured Participant must enroll the Eligible Dependent within that 31 day period;
5. grandchild, niece or nephew who otherwise qualifies as a dependent child, if: (i) the child is under the primary care of the Insured Participant; and (ii) the legal guardian of the child, if other than the Insured Participant, is not covered by an accident or sickness policy.

The term "primary care" means that the Insured Participant provides food, clothing and shelter on a regular and continuous basis.

A person **may not** be an Insured Dependent for more than one Insured Participant.

Additional Requirements for an Eligible Participant and Eligible Dependents: An Eligible Participant or an Eligible Dependent must meet the following requirements:

1. Home Country is the U.S.; and
2. under Age 85; and

Application and Effective Dates

The Coverage for an Eligible Participant and his or her Eligible Dependents will become effective if the Eligible Participant submits a properly completed application to the Insurer, is approved for coverage by the Insurer, and the Group and/or the Eligible Participant pays the Insurer the premium. The Effective Date of the Coverage under the Plan is indicated as follows:

In addition, the Policy may be terminated by the Group on any premium due date. It is the Group's responsibility to notify all Insured Participants in either situation.

The Policy may be terminated by the Insurer:

1. for non-payment of premium;
2. on the date of fraud or intentional misrepresentation of a material fact by the Group, except as indicated in the Time Limit on Certain Defenses provision;
3. on any premium due date for any of the following reasons. The Insurer must give the Group written notice of cancellation at least 30 days in advance if termination is due to:
 - a. failure to maintain the required minimum premium contribution;
 - b. failure to provide required information or documentation related to the Primary Plan or Other Plan upon request.
4. on any premium due date if the Insurer is also canceling all short-term plans in the state. The Insurer must give the Group written notice of cancellation:

IV. How the Plan Works

The Insured Person's Plan pays a portion of his/her Covered Expenses after he/she meets his/her Deductible for each Period of Insurance. This section describes the Deductible and discusses steps to take to ensure that he/she receives the highest level of benefits available under this Plan. See Definitions (Section III) for a definition of Covered Expenses and Covered Services.

The benefits described in the following sections are provided for Covered Expenses incurred by the Insured Person while covered under this Plan. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Plan, which may limit benefits or result in benefits not being payable.

Either the Insured Person or the provider of service must claim benefits by sending the Insurer properly completed claim forms itemizing the services or supplies received and the charges.

Benefits

This Benefits section shows the maximum Covered Expense for each type of provider.

No benefits are payable unless the Insured Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Plan.

Hospitals, Physicians, and Other Providers

The amount that will be treated as a Covered Expense for services provided by a Provider will not exceed the lesser of actual billed charges or a Reasonable Charge as determined by the Insurer.

Exception: If Medicare is the primary payer, Covered Expense does not include any charge:

1. By a Hospital in excess of the approved amount as determined by Medicare; or
2. By a Physician or other provider, in excess of the lesser of the maximum Covered Expense stated above; or
 - a. For providers who accept Medicare assignment, the approved amount as determined by Medicare; or
 - b. For providers who do not accept Medicare assignment, the limiting charge as determined by Medicare.

The Insured Person will always be responsible for any expense incurred which is not covered under this Plan.

Deductibles

Deductibles are prescribed amounts of Covered Expenses the Insured Person must pay before benefits are available. The Deductible applies to all Covered Expenses, unless otherwise stated. Only Covered Expenses are applied to the Deductible. Any expenses the Insured Person incurs in addition to Covered Expenses are never applied to any Deductible.

Deductibles will be credited on the Insurer's files in the order in which the Insured Person's claims are processed, not necessarily in the order in which he/she receives the service or supply.

If the Insured Person submits a claim for services which have a maximum payment limit and his/her Period of Insurance Deductible is not satisfied, the Insurer will only apply the allowed per visit, per day, or per event amount (whichever applies) toward any applicable Deductible.

Plan Payment

After the Insured Participant satisfies any required Deductible, payment of Covered Expenses is provided as defined in the Benefit Overview Matrix in Section I of this document.

Please note any additional limits on the maximum amount of Covered Expenses in the discussions of each specific benefit.

V. Benefits: What the Plan Pays

Before this Plan pays for any benefits, the Insured Person must satisfy his/her Trip Coverage Period Deductible. After the Insured Person satisfies the Deductible, the Insurer will begin paying for Covered Services as described in this section.

The benefits described in this section will be paid for Covered Expenses incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all terms, conditions, exclusions, and limitations of this Plan. All services are paid at percentages and amounts indicated below or in the Benefit Overview Matrix, and subject to limits outlined in Section IV, How the Plan Works.

Following is a general description of the supplies and services for which the Insured Person's Plan will pay benefits, if such supplies and services are Medically Necessary:

Services and Supplies Provided by a Hospital

For any eligible condition other than for Mental, Emotional or Functional Nervous Conditions or Disorders, Alcoholism or Drug Abuse, the Insurer will pay indicated benefits on Covered Expenses for:

1. Inpatient services and supplies provided by the Hospital except private room charges above the prevailing two-bed room rate of the facility.
2. Outpatient services and supplies including those in connection with outpatient surgery performed at an Ambulatory Surgical Center.
3. Emergency Hospitalization and Emergency Medical Care provided in a Hospital emergency room, including professional air and ground ambulance services for transport to and from the Hospital for such Emergency Hospitalization and Emergency Medical Care.

Payment of Inpatient Covered Expenses are subject to these conditions:

The determination of whether a medical condition constitutes an emergency and whether area facilities are capable of providing adequate medical care shall be made by physicians designated by the Administrator after consultation with the attending physician on the Insured Person's medical conditions. The decision of these designated physicians shall be conclusive in determining the need for medical evacuation services. Transportation shall not be considered medically necessary if the physician designated by the Administrator determines that the Insured Person can continue his/her trip or can use the original transportation arrangements that he/she purchased. Only one transport is covered in connection with one course of an illness or accident.

The Insurer will pay Reasonable Charges for escort services if the Insured Person is a minor or if the Insured Person is disabled during a trip and an escort is recommended in writing by the attending Physician and approved by the Insurer.

As part of a medical evacuation, the Administrator shall also make all necessary arrangements for ground transportation to and from the hospital, as well as pre-admission arrangements, where possible, at the receiving hospital.

Following stabilization, when medically necessary and subject to the Administrator's prior approval, the Insurer will pay for a medically supervised return to the Insured Person's permanent residence or, if appropriate, to a health care facility nearer to their permanent residence or for one-way economy airfare to the Insured Person's point of origin, if necessary. VIII. General Provisions

Third Party Liability

No benefits are payable for any illness, injury, or other condition for which a third party may be liable or legally responsible by reason of negligence, an intentional act, or breach of any legal obligation on the part of such third party. Nevertheless, the Insurer will advance the benefits of this Plan to the Insured Person subject to the following:

1. The Insured Participant agrees to advise the Insurer, in writing, within 60 days of any Insured Person's claim against the third party and to take such action, provide such information and assistance, and execute such paper as the Insurer may require to facilitate enforcement of the claim. The Insured Participant and Insured Person also agree to take no action that may prejudice the Insurer's rights or interests under this Plan. Failure to provide notice of a claim or to cooperate with the Insurer, or actions that prejudice the Insurer's rights or interests, will be material breach of this Plan and will result in the Insured Participant being personally responsible for reimbursing the Insurer.
2. The Insurer will automatically have a lien, to the extent of benefits advanced, upon any recovery that any Insured Person receives from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by the Insurer under this Plan for the treatment of the illness, disease, injury or condition for which the third party is liable.

Benefits for Medicare Eligible Insured Persons

Insured Persons eligible for Medicare receive the full benefits of this Plan, except for those Insured Persons listed below:

1. Insured Persons who are receiving treatment for end-stage renal disease following the first 30 months such Insured Persons are entitled to end-stage renal disease benefits under Medicare, regardless of group size.
2. Insured Persons who are entitled to Medicare benefits as disabled persons, unless the Insured Persons have a current employment status, as determined by Medicare rules, through a Group of 100 or more employees (subject to COBRA legislation).
3. Insured Persons who are entitled to Medicare for any other reason, unless the Insured Persons have a current employment status, as determined by Medicare rules, through a Group of 20 or more employees (subject to COBRA legislation).

In cases where exceptions 1, 2 or 3 apply, the Insurer will determine the Insurer's payment and then subtract the amount of benefits available from Medicare. The Insurer will pay the amount that remains after subtracting Medicare's payment. Please note, the Insurer will not pay any benefit when Medicare's payment is equal to or more than the amount which we would have paid in the absence of Medicare.

For example: Assume exception 1, 2 or 3 applies to the Insured Person, and he/she is billed for \$100 of Covered Expense. And assume in the absence of Medicare, the Insurer would have paid \$80. If Medicare pays \$50, the Insurer would subtract that amount from the \$80 and pay \$30. However, if in this example, Medicare's payment is \$80 or more, the Insurer will not pay a benefit.

Alternate Cost Containment Provision

If it will result in less expensive treatment, the Insurer may approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Plan. It must be mutually agreed to by the Insurer, the Insured Person, and the Insured Person's Physician, Provider, or other healthcare practitioner. The Insurer's offering an alternate treatment plan in a particular case in no way commits the Insurer to do so in another case, nor does it prevent the Insurer from strictly applying the express benefits, limitations, and exclusions of the Plan at any other time or for any other Insured Person.

When all of the listed documents or other information needed to process the claim have been received, the Insurer shall then have 15 working days within which to process and either pay the claim or deny it, in whole or in part, giving the Insured Person the reasons the Insurer may have for denying such claim or any portion thereof.

11. **Right to Recovery:** If the Insurer makes benefit payments in excess of the benefits payable under the provisions of the Plan, the Insurer has the right to recover such excess from any persons to, or for, or with respect to whom, such payments were made.

12. **Plan Administrator – COBRA and ERISA.** In no event will the Insurer be plan administrator for the purpose of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) or the Employee Retirement Income Security Act (ERISA). The term “plan administrator” refers either to the Group or to a person or entity other than the Insurer, engaged by the Group to perform or assist in performing administrative tasks in connection with the Group’s health plan. The Group is responsible for satisfaction of notice, disclosure and other obligations of administrators under ERISA. In providing notices and otherwise performing under the Continuation (COBRA) section of this certificate (if applicable), the Group is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as the Eligible Participant’s agent.

14. **Physical Exam and Autopsy:** The Insurer has the right to require a medical examination, at reasonable intervals, or an autopsy, where not prohibited by law, when a claim is made. If an examination or autopsy is required, the Insured Participant will not have to pay for it.

The Insurer is entitled to receive from any provider of service information about the Insured Person which is necessary to administer claims on the Insured Person’s behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, the Insured Participant has authorized every provider furnishing care to disclose all facts pertaining to the Insured Participant’s and his/her Insured Dependent’s care, treatment, and physical condition, upon the Insurer’s request. The Insured Participant agrees to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by providers of medical care nor attempt to evaluate those services.

Grievance Procedures: If the Insured Person’s claim is denied in whole or in part, he/she will receive written notification of the denial. The notification will explain the reason for the denial.

The Insured Person has the right to appeal any denial of a claim for benefits by submitting a written request for reconsideration with the Insurer. Requests for reconsideration must be filed within 60 days after receipt of the written notification of denial. When the Insurer receives the Insured Person’s written request, the Insurer will review the claim and arrive at a determination.

The Insured Person also has a right to designate an outside independent representative to assist the Insured Person or the Insured Person’s member services representative through the grievance process.

The Insurer will respond to grievances it receives within 45 business days of receipt of the grievance. The insurer will inform the Insured Person in writing of the decision regarding the Insured Person’s grievance.

All communications regarding the grievance/appeals process will be recorded, documented and maintained for at least 3 years.

If the matter is still not resolved to the Insured Person’s satisfaction, he/she may appeal any grievance decision resulting in a denial, termination, or other limitation of covered health care services by requesting a second review of the claim by sending the Insurer a written request for a second reconsideration. This written request must be filed within 60 days of the Eligible Participant’s receipt of the Insurer’s written notification of the result of the first review. If the issue involves a dispute over the coverage of medical services, or the extent of that coverage, the second review will be completed by physician consultants who did not take part in the initial reconsideration. The Insured Person will be informed, in writing, of the Insurer’s final decision.

There shall be three levels of appeal of a grievance decision.

Informal Internal Review: An Informal Internal Review shall consist of the Insured Person’s right to discuss and appeal the insurer’s grievance decision with the insurer’s medical director or with the physician or health care provider designee who rendered the decision.

If an appeal is from a determination regarding urgent or emergency care, the insurer shall conclude the appeal within 24 hours of receiving notification of appeal from the Insured Person or his/her member service's representative. All other concurrent or prospective appeals conducted pursuant to this section shall be conducted by the insurer within 14 business days, unless the medical circumstances surrounding the case require the insurer to respond sooner.

If the Informal Internal Review is not concluded to the Insured Person's satisfaction, the insurer shall provide the Insured Person with a written explanation of the decision, which shall, at a minimum, consist of:

1. The reviewer's understanding of the grievance;
2. The reviewer's decision in clear terms;
3. The contract basis or medical rationale in enough detail for the member or member representative to understand and to respond to the insurer's position; and
4. All applicable instructions, including the telephone numbers and titles of persons to contact and time frames to appeal the decision to the next stage of appeal.

If still dissatisfied, the Insured Person or his/her member representative has a right to engage in a second level appeal.

Formal Internal Review: If dissatisfied with the Informal Internal Review decision, the Covered Person shall have a right to appeal before a reviewer or panel of physicians, or advanced practice registered nurses, or other health care professionals selected by the insurer.

The panel of reviewers selected by the insurer shall not have been involved in the initial grievance decision under review.

For all reviews which require medical expertise, the medical reviewer or in the case of a panel of reviewers, the panel shall consist of at least one medical reviewer who is trained or certified in the same specialty as the matter at issue.

A medical reviewer shall be a physician, or an advanced practice registered nurse or other appropriate health care provider possessing a non-restricted license to practice or provide care anywhere in the United States and have no history of disciplinary action or sanctions pending or taken against them by any governmental agency or professional regulatory body.

A medical reviewer shall be certified by a recognized specialty board in the areas appropriate to review.

All Formal Internal Reviews will be acknowledged by the insurer within 10 business days of receipt.

If the Formal Internal Appeal is from a determination regarding urgent or emergency care, the insurer shall conclude the appeal within 24 hours of receiving notification of appeal from the covered person or his/her member representative. All other concurrent or prospective appeals conducted pursuant to this section shall be conducted by the insurer within 30 business days, unless the medical circumstances surrounding the case require the insurer to respond sooner. The time may be extended at the request of the Insured Person or his/her member services representative.

If the Formal Internal Review is not concluded to the Insured Person's satisfaction, the insurer shall provide the Insured Person with a written explanation of the decision, which shall, at a minimum, consist of:

1. The reviewer's understanding of the grievance;
2. The reviewer's decision in clear terms;
3. The contract basis or medical rationale in enough detail for the member or member representative to understand and to respond to the insurer's position; and
4. All applicable instructions, including the telephone numbers and titles of persons to contact and time frames to appeal the decision to the next stage of appeal.

If the Insured Person or his/her member representative is dissatisfied with the Formal Internal Review decision, he/she may pursue an external grievance.

If the insurer fails to comply with any of the deadlines for completion of a formal internal appeal, the Insured Person or his/her member representative shall be relieved of his/her obligations under the Formal Internal Review Process and may proceed directly to the external appeal process.

External Grievance Process: If dissatisfied with the decision rendered in a Formal Internal Review, the Insured Person may pursue an External Review before an independent review organization.

Within 30 business days from receipt of a written decision of the formal internal appeal panel, the Insured Person shall file a written request with the director for an external review along with a signed release, allowing the insurer to release medical records pertinent to the appeal.

Upon receipt of the request for an external appeal, together with the executed release form, the Director shall determine whether:

1. The individual was or is a member of the health benefits plan;
2. The health care service which is the subject of the appeal reasonably appears to be a service covered by the health benefits plan;
3. The member or member representative has fully complied with the informal and formal internal appeals processes; and
4. The member or member representative has provided all information required by the independent review organization and the Director to make the preliminary determination, including the appeal form, and a copy of any information provided by the insurer regarding its decision to deny, reduce, or terminate a covered service, and the release form required pursuant to subsection (b) of this section.

Upon completion of the preliminary review, the Director shall notify the member or member representative and insurer in writing as to whether the appeal has been accepted for processing. If the appeal is accepted by the Director, the Director shall assign the appeal to an independent review organization for full review. If the appeal is not accepted by the Director, the Director shall provide a statement of the reasons for the non-acceptance to the member or member representative and the insurer.

The staff of the independent review organization that is assigned to the appeal shall have meaningful prior experience in performing utilization review, peer review, quality of care assessment or assurance, or the hearing of appeals. Any independent review organization, its staff, and its professional and medical reviewers, shall not have any material, professional, familial, or financial affiliation with the insurer that is a party to the appeal.

The Director may waive exhaustion of the informal and formal appeals process as a prerequisite for proceeding to the external appeals process in cases of emergency or urgent care.

The insurer shall provide timely access to all its records relating to the matter under review and to all provisions of the health benefits plan or health insurance coverage, including any evidence of coverage, "member handbook", certificate of insurance or contract and health benefits plan relating to the matter.

Upon acceptance of the appeal for processing, the independent review organization shall conduct a full review to determine whether, as a result of the insurer's decision, the member was deprived of any service covered by the health benefits plan.

The full review of an appeal of a health benefits decision shall be initially conducted by at least 2 physicians licensed to practice medicine in the District of Columbia, Maryland, or Virginia. On an exceptions basis, when necessary based on the medical, surgical, or mental condition under review, the independent review organization may select medical reviewers licensed anywhere in the United States who have no history of disciplinary action or sanctions pending or taken against them by any governmental or professional regulatory body.

In reaching a determination, the independent review organization shall take into consideration all pertinent medical records, consulting physician reports, and other documents submitted by the parties, any applicable generally accepted practice guidelines developed by the federal government, national or professional medical societies, boards and associations, any applicable clinical protocols or practice guidelines developed by the insurer, and may consult with such other professionals as appropriate and necessary.

The member or member representative and one insurer representative may request to appear in person before the independent review organization. The independent review organization shall conduct the hearing in the District of Columbia. The independent review organization's procedures for conducting a review, when the member or member representative or the insurer has requested to appear in person, shall include the following:

1. The independent review organization shall schedule and hold a hearing as soon as possible after receiving a request from a member or member representative or from an insurer representative to appear before the independent review organization. The independent review organization shall notify the member or member representative and insurer representative, either orally or in writing, of the hearing date and location. The independent review organization shall not unreasonably deny a request for postponement of the hearing made by the member or member representative or insurer representative.
2. A member or member representative and an insurer representative shall have the right to the following:
 - a. To attend the independent review organization hearing;
 - b. To present his or her case to the independent review organization;
 - c. To submit supporting material both before and during the hearing;
 - d. To ask questions of any representative of the independent review organization; and
 - e. To be assisted or represented by a person of his or her choice.

When necessary, the independent review organization shall consult with a physician or advance practice registered nurse trained in the same specialty or area of practice as the type of treatment that is the subject of the grievance and appeal. All final recommendations of the independent review organization shall be approved by the medical director of the independent review organization.

The independent review organization shall complete its review and issue its recommended decision as soon as possible in accordance with the medical exigencies of the case. Except as provided for in this subsection, the independent review organization shall complete its review within 30 business days, or 72 hours in the case of an expedited appeal, from the time the Director assigns the appeal to the independent review organization. An insurer shall provide all documentation to the independent review organization within 5 days of receipt of the notice of approval of the appeal by the Director, or within 24 hours of receipt of the notice of approval of the grievance, for an expedited review. If an insurer does not provide the independent review organization all documentation required by this subsection within the time frames, or obtain the necessary extensions, the independent review organization may decide the appeal without receiving the information. The independent review organization shall extend its review for a reasonable period of time as may be necessary due to circumstances beyond its or the insurer's control, but only when the delay will not result in increased medical risk to the member. In such an event, the independent review organization shall, prior to the conclusion of the initial review period, provide written notice to the member or member representative and to the insurer setting forth the status of its review and the specific reasons for the delay.

If the independent review organization determines that the member was deprived of medically necessary covered services, the independent review organization shall recommend to the Director the appropriate covered health care services the member should receive. The Director shall forward copies of the recommendation to the member or member representative and the insurer.

When necessary, the independent review organization shall refer a case for review to a consultant physician or other health care provider in the same specialty or area of practice who would generally manage the type of treatment that is the subject of the appeal. All final recommendations of the independent review organization shall be approved by the medical director of the independent review organization.

The decision of the independent review organization shall be nonbinding on all parties and shall not affect any other legal causes of action.

This section shall not apply in cases directly involving Medicaid benefits.

Any appeal brought pursuant to this section by a member involving coverage provided pursuant to the Medicaid program shall be resolved in accordance with federal and District of Columbia laws, regulations, and procedures established for fair hearings and appeals for the Medicaid program.

The Insurer shall not take any retaliatory action, such as refusing to renew or canceling coverage, against the Eligible Participant or the Group because the Eligible Participant, the Group, or any person acting on the Eligible Participant's or the Group's behalf, has filed a complaint against the Insurer or has appealed a decision made by the Insurer.

In the case of a reduction or a termination of services that is contrary to the recommendations of the treating physician or advance practice registered nurse, an insurer shall provide a member or member representative with 24 hours prior verbal notification, followed by a written decision as soon as practical.

The Insurer will meet any Notice requirements by mailing the Notice to the Group at the billing address listed on our records. The Group will meet any Notice requirements by mailing the Notice to:

Dispute Resolution

All complaints or disputes relating to coverage under this Plan must be resolved in accordance with the Insurer's grievance procedures. Grievances may be reported by telephone or in writing. All grievances received by the Insurer that cannot be resolved by telephone conversation (when appropriate) to the mutual satisfaction of both the Insured Person and the Insurer will be acknowledged in writing, along with a description of how the Insurer proposes to resolve the grievance.

The Insurer shall not take any retaliatory action, such as refusing to renew or canceling coverage, against the Insured Participant and his/her Insured Dependents or the Group because the Insured Participant's, the Group's, or any person's action on the Insured Person's or the Group's behalf, has filed a complaint against the Insurer or has appealed a decision made by the Insurer.
