COVERAGE A – MEDICAL EXPENSES

A. What the Insurer Pays for Covered Medical Expenses: If a Covered Person incurs expenses while insured under the Policy due to an Injury or a Sickness, the Insurer will pay the Reasonable Expenses for the Covered Medical Expenses listed below. All Covered Medical Expenses incurred as a result of the same or related cause, including any Complications, shall be considered as resulting from one Sickness or Injury. The amount payable for any one Injury or Sickness will not exceed the Maximum Benefit of $250,000 per Injury or Sickness for the Eligible Participant. Benefits are subject to the Deductible Amount, Coinsurance and Maximum Benefits stated in the Schedule of Benefits, specified benefits and limitations set forth under Covered Medical Expenses, the General Policy Exclusions, the Pre-Existing Condition Limitation and to all other limitations and provisions of the Policy.

B. Covered General Medical Expenses and Limitations: Covered Medical Expenses are limited to the Reasonable Expenses incurred for services, treatments and supplies listed below. All benefits are per Injury or Sickness unless stated otherwise.

No Medical Treatment Benefit is payable for Reasonable Expenses incurred after the Covered Person's insurance terminates as stated in the Period of Coverage provision. However, if the Covered Person is in a Hospital on the date the insurance terminates, the Insurer will continue to pay the Medical Treatment Benefits until the earlier of the date the Confinement ends or 31 days after the date the insurance terminates.

1. Physician office visits.

2. Hospital Services: Inpatient Hospital services and Hospital and Physician Outpatient services consist of the following: Hospital room and board, including general nursing services; medical and surgical treatment; medical services and supplies; Outpatient nursing services provided by an RN, LPN or LVN; local, professional ground ambulance services to and from a local Hospital for Emergency Hospitalization and Emergency Medical Care; x-rays; laboratory tests; prescription medicines; artificial limbs or prosthetic appliances, including those which are functionally necessary; the rental or purchase, at the Insurer's option, of durable medical equipment for therapeutic use, including repairs and necessary maintenance of purchased equipment not provided for under a manufacturer's warranty or purchase agreement.

   The Insurer will not pay for Hospital room and board charges in excess of the prevailing semi-private room rate unless the requirements of Medically Necessary treatment dictate accommodations other than a semi-private room.

C. Additional Covered General Medical Expenses and Limitations: These additional Covered Medical Expenses are limited to the Reasonable Expenses incurred for services, treatments and supplies listed below. All benefits are per Injury or Sickness unless stated otherwise.

1. Pregnancy: The Insurer will pay the actual expenses incurred as a result of pregnancy, childbirth, miscarriage, or any Complications resulting from any of these, except to the extent shown in the Schedule of Benefits. Conception must have occurred while the Covered Person was insured under the Policy. Pregnancy benefits will also cover a period of hospitalization for maternity and newborn infant care for:
   a) a minimum of 48 hours of inpatient care following a vaginal delivery; or
   b) a minimum of 96 hours of inpatient care following delivery by cesarean section.

   If the physician, in consultation with the mother, determine that an early discharge is medically appropriate, the Insurer shall provide coverage for post-delivery care, within the above time limits, to be delivered in the patient's home, or, in a provider's office, as determined by the physician in consultation with the mother. The at-home post-delivery care shall be provided by a registered professional nurse, physician, nurse practitioner, nurse midwife, or physician assistant experienced in maternal and child health, and shall include:

The Basic Medical Expense Deductible Amount will be reduced to as stated in the Schedule of Benefits if initial treatment is rendered at the Participant's Registered Student Health Center.

E. Supplemental Major Medical Expense Benefit (SMM): The Insurer will pay the provider 100% of all additional Covered Medical Expenses, unless otherwise stated, which are in excess of the Deductible Amount shown in the Schedule of Benefits for Coverage A and after all benefits have been exhausted under the Basic Medical Expense Benefit.

F. Home Country Coverage (While Insured): Expenses incurred within the Covered Person's Home Country while insured under the Policy will be considered as Covered Medical Expenses up to the limits stated in the Schedule of Benefits.

If a Covered Person dies, the Insurer will pay the necessary expenses actually incurred, up to the Maximum Limit shown in the Schedule of Benefits, for the repatriation of the Covered Person's remains to his/her Home Country. This benefit covers the legal minimum requirements for the transportation of the remains. It does not include the transportation of anyone accompanying the body or visitation or funeral expenses. Any expenses for repatriation of remains require the Insurer's or the Administrator's prior approval.

If an Injury or a Sickness results in the Covered Person's loss of life outside his/her Home Country, the Insurer will pay the Reasonable Expense incurred for cremation or for preparation of the body for burial in, and for transportation of the body to, the Home Country up to the maximum stated for this benefit in Table 1 of the Schedule of Benefits. Payment of this benefit is subject to the Limitations and Conditions on Eligibility for Benefits. No benefit is payable if the death occurs after the Period of Coverage Termination Date. However, if the Covered Person is Hospital Confined on the Period of Coverage Termination Date, eligibility for this benefit continues until the earlier of the date the Covered Person's Confinement ends or 31 days after the Period of Coverage Termination Date. The Insurer will not pay any claims under this provision unless the expense has been approved by either the Insurer or the Administrator before the body is prepared for transportation.

SECTION 4 – COVERAGE C – MEDICAL EVACUATION BENEFIT

If a Covered Person sustains an Injury or suffers a sudden Sickness while traveling outside his/her Home Country, the Insurer will pay the Medically Necessary expenses incurred, up to the lifetime Maximum Limit for all medical evacuations shown in Table 1 of the Schedule of Benefits, for a medical evacuation to the nearest Hospital, appropriate medical facility or back to the Covered Person's Home Country. Transportation must be by the most direct and economical route. However, before the Insurer makes any payment, it requires written certification by the attending Physician that the evacuation is Medically Necessary. Any expenses for medical evacuation require the Insurer's or the Administrator's prior approval. No benefits are payable under any other provision of the Policy for expense incurred by the Covered Person on and after the date of the evacuation.

With respect to this provision only, the following is in lieu of the Policy's Extension of Benefits provision: No benefits are payable for Reasonable Expenses incurred after the date the Covered Persons insurance under the Policy terminates. No benefits are payable unless the trip is approved in advance by the Administrator.

SECTION 6 – PRE-EXISTING CONDITION LIMITATION

The Insurer does not pay benefits for loss due to a Pre-Existing Condition during the first one (1) year of coverage. Pre-Existing Conditions will be covered after the Covered Person's coverage has been in force for one (1) year.

Covered Medical Expenses are listed in Table 3 and described in Section 2.

Covered Person means an Eligible Participant and any Eligible Dependents as described in the appropriate eligibility section, for whom premium is paid and who is covered under the Policy.

SECTION 10 – EXCESS COVERAGE

The Insurer will reduce the amount payable under the Policy to the extent expenses are covered under any Other Plan. The Insurer will determine the amount of benefits provided by Other Plans without reference to any coordination of benefits, non-duplication of benefits, or other similar provisions. The amount from Other Plans includes any amount to which the Covered Person is entitled, whether or not a claim is made for the benefits. The Policy is secondary coverage to all other policies.

SECTION 11 – ELIGIBILITY REQUIREMENTS AND PERIOD OF COVERAGE

Eligible Participant: Eligible Participant means any person who satisfies the definition of an Eligible Participant and the requirement of an applicable class as shown in Section 1—Eligible Classes.

Enrollment for Coverage: An Eligible Participant will be eligible for coverage under the Policy subject to the particular types and amounts of insurance as specified in his/her enrollment form.

When an Eligible Participant's Coverage Starts: Coverage for an Eligible Participant starts at 12:00:01 a.m. on the latest of the following:

1. The effective date of the Policy; or
2. The effective date shown on the Insurance Identification Card, if any;
3. The date the requirements in Section 1—Eligible Classes are met; or
4. The date the premium and completed enrollment form, if any, are received by the Insurer or the Administrator.

Thereafter, the insurance is effective 24 hours a day, worldwide. In no event, however, will insurance start prior to the date the premium is received by the Insurer.

When an Eligible Participant's Coverage Ends: Coverage for an Eligible Participant will automatically terminate on the earliest of the following dates:

1. The date the Policy terminates;
2. The date of which the Eligible Participant ceases to meet the Individual Eligibility Requirements;
3. The end of the term of coverage specified in the Eligible Participant's enrollment form, if any, including any requested extension;
4. The date the Eligible Person leaves the Country of Assignment for his/her or her Home Country;
5. The date the Eligible Participant requests cancellation of coverage (the request must be in writing); or
6. The premium due date for which the required premium has not been paid, subject to the Grace Period provision.

Any unearned premium will be returned upon request, but returned premium will only be for the number of full months of the unexpired term of coverage, less any administrative fees. Premium will be refunded in full or pro-rated if it is later determined that the Covered Person is not eligible for coverage or if the enrollment form contained inaccurate or misleading information.

Coverage will end at 11:59:59 p.m. on the last date of insurance. A Covered Person's coverage will end without prejudice to any claim existing at the time of termination.

SECTION 12 – PREMIUM – For Individual Enrollment

Payment: Coverage is provided in return for payment of the required premium. Premiums may be paid monthly, quarterly, semi-annually, annually, or for a specified term, as arranged with the Administrator. Coverage will terminate if the required premium is not paid to the Insurer. Premium is charged from the date insurance for each Covered Person takes effect. Premium is payable to the Insurer or one of its authorized agents. If payment of a premium is not honored by the bank or credit card drawn upon, the insurance is deemed to have not been purchased and not to be in effect.

Renewing Coverage: Coverage for all Covered Persons shall be continuous if the acceptable renewal form and premium are received by the Insurer prior to the expiration of coverage. Premiums will be based upon the attained age of the Covered Person at the time of renewal. Any Covered Person whose coverage under the Policy lapses may re-enroll and shall be subject to all Policy exclusions as of any subsequent effective date.

Grace Period: There is a 31 day grace period after the premium due date in which to pay the required premium. The Policy and affected coverage will stay in force during the grace period. The grace period does not apply to payment of the first premium or the last premium when the Covered Person requests to terminate coverage. The Covered Person is liable for all premium unpaid, including any part or entire premium due through the grace period.

Cancellation Requirements: Cancellation will only be allowed if the following requirements are met:

1. proof of ineligibility is provided; or
2. cancellation occurs within the first 10 days from the effective date or most recent renewal date; or
3. the Covered Member requests cancellation in writing.

If cancellation is after 10 days, premium will be refunded in whole months only.

SECTION 13 – CLAIM PROVISIONS

Notice of Claim: Written notice of any event which may lead to a claim under the Policy must be given to the Insurer or to the Administrator within 30 days after the event, or as soon thereafter as is reasonably possible.

Claim Forms: Upon receipt of a written notice of claim, the Insurer will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If these forms are not furnished within 15 days after the notice is sent, the claimant may comply with the Proof of Loss requirements of the Policy by submitting, within the time fixed in the Policy for filing proofs of loss, written proof showing the occurrence, nature and extent of the loss for which claim is made.

Proofs of Loss: Written proof of loss must be furnished to the Insurer or to its Administrator within 90 days after the date of loss. However, in case of claim for loss for which the Policy provides any periodic payment contingent upon continuing loss, this proof may be furnished within 90 days after termination of each period for which the Insurer are liable. Failure to furnish proof within the time required will not invalidate nor reduce any claim if it is not reasonably possible to give proof within 90 days, provided

1. it was not reasonably possible to provide proof in that time; and
2. the proof is given within one year from the date proof of loss was otherwise required. This one year limit will not apply in the absence of legal capacity

Time for Payment of Claim: Benefits payable under the Policy will be paid immediately upon receipt of satisfactory written proof of loss, unless the Policy provides for periodic payment. Where the Policy provides for periodic payments, the benefits will accrue and be paid monthly, subject to satisfactory written proof of loss.

Payment of Claims: Benefits for accidental loss of life under Coverage B will be payable in accordance with the beneficiary designation and the provisions of the Policy which are effective at the time of payment. If no beneficiary designation is then effective, the benefits will be payable to the estate of the Covered Person for whom claim is made. Any other accrued benefits unpaid at the Covered Person's death may, at the Insurer's option, be paid either to his/her beneficiary or to his/her estate. Benefits payable under Coverages A, C, D, and E shall be payable to the provider of the service. Benefits payable under Coverage B, other than for loss of life, will be paid to the Covered Person.

If any benefits are payable to the estate of a Covered Person, or to a Covered Person's beneficiary who is a minor or otherwise not competent to give valid release, the Insurer may pay up to $1,000 to any relative, by blood or by marriage, of the Covered Person or beneficiary who is deemed by the Insurer to be equitably entitled to payment. Any payment made by the Insurer in good faith pursuant to this provision will fully discharge the Insurer of any obligation to the extent of the payment.

Physical Examination and Autopsy: The Insurer may, at its expense, examine a Covered Person, when and as often as may reasonably be required during the pendency of a claim under the Policy and, in the event of death, make an autopsy in case of death, where it is not forbidden by law.

SECTION 14 – GENERAL PROVISIONS

Entire Contract: The entire contract between the Insurer and the Policyholder consists of the Policy, this Certificate, the application of the Policyholder and the application of the Participating Organization or Institution, copies of which are attached to and made a part of the Policy. All statements contained in the applications will be deemed representations and not warranties. No statement made by an applicant for insurance will be used to void the insurance or reduce the benefits, unless contained in a written application and signed by the applicant. No agent has the authority to make or modify the Policy, or to extend the time for payment of premiums, or to waive any of the Insurer's rights or requirements. No modifications of the Policy will be valid unless evidenced by an endorsement or amendment of the Policy, signed by one of the Insurer's officers and delivered to the Policyholder.

Incontestability: The validity of a Covered Person's insurance will not be contested except for nonpayment of premium, after his/her insurance under the Policy has been continuously in force for two years during his/her lifetime. No statement made by a Covered Person relating to his/her insurability will be used in defense of a claim under the Policy unless: 1. it is contained in the enrollment form or renewal form signed by the Covered Person; and 2. a copy of the enrollment form or renewal form has been furnished to the Covered Person, or to his/her beneficiary.

Time Limit on Certain Defenses: No claim for loss incurred after 2 years from the effective date of the Covered Person's insurance will be reduced or denied on the grounds that the disease or physical condition existed prior to the effective date of the Covered Person's insurance. This provision does not apply to a disease or physical condition excluded by name or specific description.

Legal Actions: No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of 3 years (5 years in Kansas, 6 years in South Carolina, and the applicable statute of limitations in Florida) after the time written proof of loss is required to be furnished.

Conformity with State Statutes: Any provision of the Policy which, on its effective date, is in conflict with the statutes of the state in which it is delivered is hereby amended to conform to the minimum requirements of those statutes.

Assignment: No assignment of benefits will be binding on the Insurer until a copy of the assignment has been received by the Insurer or by its Administrator. The Insurer assumes no responsibility for the validity of the assignment. Any payment made in good faith will relieve the Insurer of its liability under the Policy.

Beneficiary: The beneficiary is the last person named in writing by the Covered Person and recorded by or on the Insurer's behalf. The beneficiary can be changed at any time by sending a written notice to the Insurer or to its Administrator. The beneficiary's consent is not required for this or any other change in the Policy unless the designation of the beneficiary is irrevocable.

Mistake in Age: If the age of any Covered Person has been misstated, an equitable adjustment will be made in the premiums or, at the Insurer's discretion, the amount of insurance payable. Any premium adjustment will be based on the premium that would have been charged for the same coverage on a Covered Person of the same age and similar circumstances.

Clerical Error: A clerical error in record keeping will not void coverage otherwise validly in force, nor will it continue coverage otherwise validly terminated. Upon discovery of the error an equitable adjustment of premium shall be made.

Not in Lieu of Workers' compensation. The Policy does not satisfy any requirement for Workers' Compensation.

Subrogation: If the Covered Person suffers an Injury or Sickness through the act or omission of another person, and if benefits are paid under the Policy due to that Injury or Sickness, then to the extent the Covered Person recovers for the same Injury or Sickness from a third party, its insurer, or the Covered Person's uninsured motorist insurance, the Insurer will be entitled to a refund of all benefits the Insurer has paid from such recovery. Further, the Insurer has the right to offset subsequent benefits payable to the Covered Person under the Policy against such recovery.

The Insurer may file a lien in a Covered Person's action against the third party and have a lien upon any recovery that the Covered Person receives whether by settlement, judgment, or otherwise, and regardless of how such funds are designated. The Insurer shall have a right to recovery of the full amount of benefits paid under the Policy for the Injury or Sickness, and that amount shall be deducted first from any recovery made by the Covered Person. The Insurer will not be responsible for the Covered Person's attorneys' fees or other cost.

Upon request, the Covered Person must complete the required forms and return them to the Insurer or to the Administrator. The Covered Person must cooperate fully with the Insurer in asserting his/her right to recover. The Covered Person will be personally liable for reimbursement to the Insurer to the extent of any recovery obtained by the Covered Person from any third party. If it is necessary for the Insurer to institute legal action against the Covered Person for failure to repay the Insurer, the Covered Person will be personally liable for all costs of collection, including reasonable attorneys' fees.

Right of Recovery: Whenever the Insurer have made payments with respect to benefits payable under the Policy in excess of the amount necessary, the Insurer shall have the right to recover such payments. The Insurer shall notify the Covered Person of such overpayment and request reimbursement from the Covered Person. However, should the Covered Person not provide such reimbursement, the Insurer has the right to offset such overpayment against any other benefits payable to the Covered Person under the Policy to the extent of the overpayment.

Currency: All premiums for and claims payable pursuant to the Policy are payable only in the currency of the United States of America.
